Adobe Photoshop CS6

Basics Activity

Directions: Although Mr. Lofting will be leading you through this activity, you are responsible for completing each of the steps below. After completing these steps, you should have a grasp on the basics of Adobe Photoshop!

Each step is worth 3 pts, for a total of (an eaaaaassssssy) 30 points!

- ____ 1) Create a new document (File >> New..) that is 8.5" x 11"
- ____ 2) Create a new layer and place (File >> Place...) and proportionally size the background picture
 - Rasterize the image (right click the layer >> Rasterize Layer)
- ____ 3) Add the title of your magazine (must be > 100 pt) and a subtitle under your title (must be > 25 pt)
- ____ 4) Remove at least two annoying objects from the background (make selection >> Edit >> Fill)
- ____ 5) Open the image of Brad Pitt and baby and remove the background (wand or eraser)
 - You will need to unlock the image's layer (right click the layer >> Layer from Background...)
- ____ 6) Move the cutout image to the magazine cover file (Select >> All >> Copy, then Paste)
- ____ 7) Place the 'Baby Face' image on the cover file under the real baby's face, resize, and erase the baby's face to reveal the new baby face
- ____ 8) Place at least one additional picture on your magazine cover and one additional text box
- ____ 9) Warp a feature on both Brad's face and the baby's face
- ____ 10) Save the file as a JPEG (File >> Save As... and change the format to JPEG) and submit to your gClassFolder 'Turn In' folder in Google Drive
